WE ARE BACK!

Cheers,

despite all the difficulties of this time, we have great news: The **sec4dev 2021** is coming home to you – with two-day Bootcamps and a single-track Conference, **all virtual!**

Our **keynote speaker** this year will be **Tanya Janca**, also known as SheHacksPurple, an award-winning public speaker, book author, and founder of We Hack Purple. Do not miss this opportunity!

We hope to see you at sec4dev 2021!

Best, Olivia the sec4dev Scorpion
